Announcements

Legislative Action: Consider allowing outdoor events in the CG (General Commercial) zone.

Issue Summary

The council will consider adopting a legislative action that would initiate a zoning petition for city staff to research and draft an ordinance that would allow live performance theater use in the CG (General Commercial) zone either indoors or outdoors. Currently they are only allowed indoors.

If the Council supports this action, it may consider formally adopting the legislative action in the May 7 formal meeting.

Motion to Initiate Legislative Action

I move the Council initiate a legislative action starting the process for city staff to research and draft an ordinance that would allow live performance theater use in the CG (General Commercial) zone either indoors or outdoors by changing the title “theater, live performance” to “theater, live performance (indoor or outdoor)” in the land use table for commercial districts in Chapter 21A.33.030 of Salt Lake City Code.
