### **Organizations with Multiple Applications**

Some organizations submit applications for the same program seeking funding from multiple HUD grants. Others submit applications more narrowly tailored to each HUD grant and for different programs. Organizations with multiple applications are listed alphabetically below. The underlined sentence shows the total funding request and recommended award. The points underneath show the individual applications by grant.

\$450,000 requested by Alliance House for the same project and recommended to receive \$318,000.

- CDBG Housing #1 – \$300,000 requested to demolish and rebuild their facility with 16 deeply affordable housing units. It's recommended to receive \$221,000.
