**DOCUMENT TYPE:** Ordinance

**RECOMMENDATION:** The City Council amend the zoning map as recommended by the Planning Commission.

**BUDGET IMPACT:** None

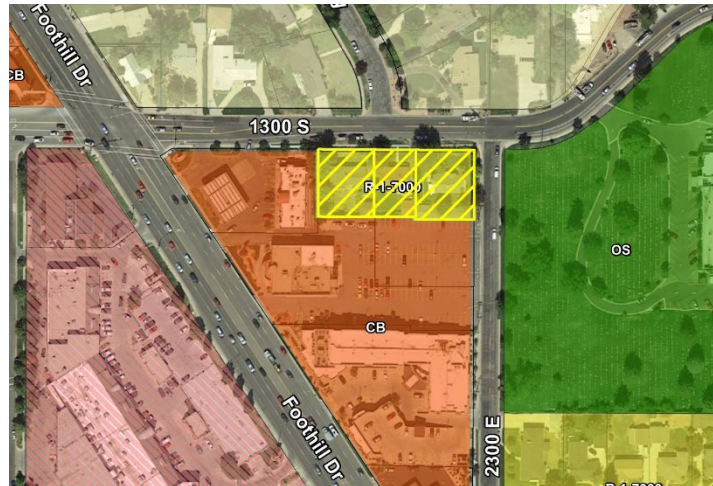

**BACKGROUND/DISCUSSION:** Tyler Morris, the applicant representing the property owner, submitted a petition for a Zoning Map Amendment for the properties located at 2260, 2270, and 2290 E. 1300 South. The properties are currently zoned R-1-7000, which is a single-family residential zone. The petition is to rezone the properties to CB- Community Business. The CB zone allows for a wider range of land uses including multi-family, commercial, retail, and restaurants. The request did not require a master plan amendment.

At this point, the applicant has not provided a development plan for the properties. However, it is anticipated they would be developed in junction with adjoining properties to the south and would be used for multi-family housing or a mixed-use development.

The subject properties front along 1300 South, between Foothill Drive and 2300 East. 1300 South is a collector street where 2300 East is a local street and Foothill Drive is a State arterial street. The property currently contains three single-family homes. Each of the dwellings are currently used as housing rentals.

Within proximity of the subject property, there is a mix of single-family and commercial uses. The neighborhood to the north (across 1300 South) contains single-family homes and is zoned R-1-12,000. The properties to the south and west include a single-story gas station, 2-story restaurant/office, and 3-story hotel. The commercial properties are zoned CB. The property to the east (across 2300 East) is a cemetery and is zoned OS (Open Space).

The Planning Commission reviewed the request at a public hearing September 13, 2023. The Commission had some questions about final development of the property but voted (7-2) in favor of the City Council amending the zoning map as requested.
