Due to the timing of this budget amendment, there are no updates to the FY 2024 revenue projections. Revenues are trending as expected and there are no reasons to assume any variance to the initially adopted projections. The City has begun closing out the financials for Fiscal Year 2023, and will provide updates to Council as the audit progresses and is finalized.

The table below presents updated Fund Balance numbers and percentages, based on the proposed changes included in Budget Amendment #3.

## Salt Lake City FY 2023-24 Budget Amendment #3

Initiative Number/Name	Fund	Amount
Section A: New Items		
A-1: Fire Department Medical Response Paramedics	GF	\$150,119.00
	GF	\$10,400.00
Department: Fire	Prepared By: Chief Karl Lieb / Clint Rasmussen	
For questions, please include Chief Lieb, Clint Rasmussen, Greg Cleary and Mary Beth Thompson		
Current Status		
<p>The Salt Lake City Fire Department (SLCFD) currently operates three Medical Response Teams (MRTs) with another funded at the Salt Lake City Airport beginning in January of 2024 for a total of four MRTs. Each MRT is comprised of 4 Firefighters (FFs), for a total of 16 FFs allocated and funded for the MRT program. All FFs currently allocated to the MRT are Emergency Medical Technicians (EMTs). By staffing a MRT with 3 EMTs and 1 Paramedic, rather than 4 EMTs, the response capability would increase by</p> <p>Replacing one of the EMTs as a Paramedic (Advanced Life Support or ALS) would increase the capability of the MRTs by approximately 30% and allow them to perform more advanced patient assessments.</p> <p>Paramedics are currently at a premium nationwide. Fortunately, SLCFD trains and remains appropriately staffed with Paramedics on our Medic Engines (4-handed) for our optimal response model - two Paramedics on each of eight daily Medic (ALS) Engines within SLC. These Medic Engines respond to the most serious medical and fire calls and should remain staffed in this configuration as a 4-handed unit for maximum capability.</p>		
Proposal		
<p>This item it to establish 4 new FTEs (Medical Response Paramedics) and reclassify 4 existing FTEs (Firefighters) to Medical Response Paramedics.</p> <p>The SLCFD proposes to diversify our current MRT model by replacing and displacing a total of eight (8) MRT FF EMTs with Medical Response Paramedics (SRPs). This would ideally staff one (1) Paramedic on each unit of four daily operating MRTs.</p> <p>The transition would expand the current MRTs response capability with an ALS component while maintaining the integrity of the MRT as a FD resource responding from and residing within select SLCFD fire stations.</p> <p>The SRPs would be civilian, potentially sworn, and eligible to participate in the Firefighters or Tier 2 Public Safety/Firefighter retirement systems.</p> <p>The SRPs would participate in a training regimen developed by the SLCFD for their specific role within our EMS response model. SRPs will serve under a new job title, new wage schedule, and possibly as part of SLCFD’s Local 81 labor group.</p>		
Process		
<p>The SLCFD would realize eight (8) Medical Response Paramedics through a combination of additional FTEs and conversion of existing FTEs:</p> <p>1. SLCFD is requesting four (4) additional FTEs in the form of Medical Response Paramedics at a half-year cost \$150,119 plus some start-up costs of \$10,400. Full year funding for FY25 would be an additional budget increase of \$142,519. No new equipment (radio’s, tablets, vehicles, etc.) is required. These new positions would be funded for six months beginning January 2024.</p> <p>2. SLCFD would retain the option to convert four (4) existing vacant FF positions currently funded for the MRT to SRPs by the end of calendar year 2023.</p> <p>3. The remaining four FFs displaced by the four requested SRPs would be utilized to fill 4-handed vacancies or additional resources throughout Salt Lake City in an effort to reduce OT and consistently staff SLCFD heavy apparatus.</p>		

### Salt Lake City FY 2023-24 Budget Amendment #3

Initiative Number/Name	Fund	Amount
A-2: ARPA Employee Expenses	Misc. Grants	\$14,225.00
Department: Finance & Economic Development	Prepared By: Mary Beth Thompson	
Funding in the amount of \$14,225.00 is being requested to cover expenses for one grant employee for the remainder of the Fiscal Year. Throughout the year, staffing levels have been in flux to support this ongoing need. The additional amount will sufficiently cover the personnel expenses, factoring in vacancies savings, to support Economic Development’s ongoing ARPA grant activity.		
A-3: Withdrawn Prior to Transmittal		
A-4: City Attorney’s Office Legislative Division	GF	\$297,220.40
	GF	\$12,000.00
	IMS	\$12,000.00
	GF	\$20,000.00
Department: City Attorney	Prepared By: Katherine Lewis	
For questions, please include Mary Beth Thompson, Greg Cleary, Katie Lewis		
<p>This funding is to establish and support four (4) new FTEs, creating the Legislative Division within the City Attorney’s office. The primary focus of this division will be on legislative affairs, with special focus on the legislative session and the various impacts to Salt Lake City. The proposed funding in the amount of \$297,220.40 assumes the positions to be filled for six-months in Fiscal Year 2024, with a hire date in January. The four (4) positions are to be ongoing, with a financial impact of \$594,440.79 annually beginning if FY25. The four proposed positions are as follows:</p> <ul style="list-style-type: none"><li>• Legislative Affairs Director (E34)</li><li>• Senior City Attorney (E39)</li><li>• Special Projects Analyst (E26)</li><li>• Administrative Assistant (N21)</li></ul> <p>The supporting Ordinance:</p> <ul style="list-style-type: none"><li>• Establishes that because the City Attorney manages the legal affairs of both the executive and legislative branches of government, she reports to both the Mayor and Council chair, and can be removed at the discretion of the Mayor.</li><li>• Clarifies that the City Attorney supervises the Recorder’s Office, Risk Management Division and Division of Legislative Affairs.</li><li>• Clarifies that the City Attorney may retain outside counsel on behalf of the City, if she concludes that the City Attorney’s Office has a conflict of interest, is unable, or is unavailable to perform that legal work for the City.</li><li>• Creates the Division of Legislative Affairs, which will be responsible for monitoring state and federal legislation and engaging in advocacy, collaboration, and tracking of all legislative matters for the City.</li><li>• Establishes the director of legislative affairs, who will work with both branches of government on the City’s legislative agenda, and will report to both branches of government on legislative priorities and policies.</li></ul> <p>This initial funding request accounts for one-time expenses for staff equipment such as computers (\$12,000), funding via a Non Departmental Transfer (\$12,000), and a tenant improvement to established workspaces and necessary equipment (\$20,000).</p>

<b>A-5: Streets Impact Fee Funding for 2100 South Reconstruction Project</b>	<b>Impact Fees</b>	<b>\$3,323,590.00</b>
<b>Department: Public Services – Engineering</b>	<b>Prepared By: Mark Stevens</b>	
<b>For questions, please include Mark Stevens, Mike Atkinson, Jordan Smith, Jorge Chamorro</b>		
Engineering and Transportation are requesting a budget amendment to increase the appropriation of Streets Impact Fees for the 2100 South Reconstruction Project. Multiple departments (Engineering, Transportation, the Finance Capital Asset Planning Team, and the Office of the City Attorney) have conducted an analysis of the 2100 South Reconstruction Project, and based on the increase in overall cost and the increase in the portion of the project related to Complete Streets, this project is eligible for an additional \$3,323,590 of Streets Impact Fees.		
<b>A-6: Streets Impact Fee Funding for 600/700 North Reconstruction Project</b>	<b>Impact Fees</b>	<b>\$3,204,371.00</b>

<b>A-7: Access Control System Upgrade – Security</b>	<b>GF</b>	<b>\$400,000.00</b>
<b>Department: Public Services</b>	<b>Prepared By: Jorge Chamorro</b>	
<b>For questions, please include Jorge Chamorro</b>		
The current access control system and devices across City buildings are now considered outdated and vulnerable, and staff are proposing this be addressed before the system fails. This system is used for access badges issued to all City employees to scan at certain doors to gain access to a given space. The Safety and Security Program proposes continuing the transition to the S2 control access system as a City-wide standard.		
With the recent allocation of funding from Council, the Public Safety Building and City Hall have upgraded their back-end software. The funding requested for the next phase should transition Plaza 349 and the Justice Courts. Additionally, access cards and card readers will be purchased for all four buildings. This project scope has been developed with staff from various departments, including IMS, to ensure standards and needs are met. The estimated cost for this project is \$400,000.		
<b>A-8: Compliance Electric Vehicle Funds Transfer to Fleet</b>	<b>GF</b>	<b>(\$20,000.00)</b>
	<b>GF</b>	<b>\$20,000.00</b>
	<b>Fleet</b>	<b>\$20,000.00</b>
<b>Department: Public Services – Compliance</b>	<b>Prepared By: Erik O’Brien / Julie Crookston</b>	
<b>For questions please include Erik O’Brien, Julie Crookston, Nancy Bean, Denise Sorensen</b>		
Public Services - Compliance is requesting a transfer of \$20,000 to the Fleet Replacement Fund helping cover the difference in cost to purchase two electric trucks instead of the originally funded smaller vehicles.		
Fleet has been presented with an opportunity to order these electric trucks. One of the vehicles is part of the replacement cycle, upgrading the originally intended vehicle to a more capable one, and will allow for Parking Enforcement operations to continue during winter snow events, especially in areas like the Avenues. Additionally, the extra cargo space is needed to transport equipment such as pav station kiosks and equipment as needed. In addition to these advantages, the second

vehicle will provide adequate space to transport three (3) mitigation officers (FTEs recently approved) and their supplies for our Long-Term Parking Mitigation Team. The addition of these 2 EVs will bring Compliance closer to their goal to have a 100% electric fleet.		
A-9: Road Marking Maintenance	GF	\$200,000.00
Department: Public Services – Streets	Prepared By: Jorge Chamorro	
For question, please include Jorge Chamorro		
Over the past few years the Transportation Division has been successful in obtaining funding for special road markings through the CIP process, which include green paint on certain bike lanes.		
After assessing the current inventory of assets made up of 1010 bike racks and 3.23 miles of green-painted bike lanes and markings, staff has concluded that this ongoing maintenance need should no longer rely on the CIP process but rather be added to the Streets operating budget. At this time the need does not justify upfront cost of equipment procurement, Streets will develop a maintenance schedule and oversee a contract to perform the necessary maintenance work. If funding is approved for this item, though most of the work would not occur in the winter, contract development and work scheduling could be done in the meantime with work happening as weather allows.		
The Streets Division is requesting \$200,000 to be added to their budget for ongoing maintenance of road markings and assets recently inventoried.		
A-10: Pay Station Replacement	GF	\$135,992.49
Department: Public Services/Finance		
For questions please include Mary Beth Thompson and Jorge Chamorro		
The current pay stations were purchased over 10 years ago. Due to their age, they are past the end of their useful life and at risk of failure. New pay stations will allow the City to modernize the services offered to end users. The new pay stations will provide more features for the public including parking payment, information sharing about events going on city wide, the capability to pay by license plate technology, potential pollution sensors, and other innovative features. The modernization of the pay stations will allow for smoother staff operations and continued service to end users. City Finance is recommending a 7-year amortization rather than using the General Fund for one-time payment.		
The amortization schedule is attached and includes a 7-year payment schedule, with \$135,992.49 due in Year 1, and \$271,984.98 due in years two (2) through year seven (7). This includes an interest rate of 4.60%. The Council may consider a 5-year schedule which is also attached, with an interest rate of 4.77%.		
This item is being brought forward with Budget Amendment 3 due to the Request for Proposal process and market conditions around equipment. At the time of budget development, staff did not have clear insight into the cost or timeline of pay station procurement and delivery. Following the completion of the RFP process, staff feel it is best to proceed with the selected vendor for the reasons outlined above.		
A-11: Rail Spur Removal	GF	\$205,000.00

Housekeeping request to move \$205,000, approved by Council on BA#1 of FY23, item A-7, but placed on a GF cost center, and were recaptured at the end of FY23, from Fund Balance to a Capital Project Cost Center for Engineering to initiate the project.		
An overview of the original request is below.		

### Salt Lake City FY 2023-24 Budget Amendment #3

Initiative Number/Name	Fund	Amount
<p>The property on which this rail spur is located, 535 S. 600 W., was conveyed in 1997 by the City to a private party, with partial consideration for this conveyance being an easement to construct, operate, and maintain a railroad spur and associated facilities. Pursuant to an Amended and Restated Easement and Boundary Line Agreement, executed on July 3, 2000, the easement shall terminate if the City ceases to use the rail spur for more than one year, and that the City shall remove the related infrastructure at the City’s expense. Since the rail spur has not been used for over one year, the City is contractually obligated to remove it.</p>		
A-12: Temporary Shelter Community (Sanctioned Camping)	Misc. Grants	\$500,000
Department: Police Department	Prepared By: Greg Cleary/Shellie Dietrich	
<p>Staff is requesting a budget amendment in the amount of \$500,000 to support startup costs associated with city efforts around a Temporary Shelter Community or Sanctioned Camping. This funding will allow staff to roll out the program, with ongoing assessment in needs, service levels, and funding being further developed in the coming months.</p> <p>Specifically, the \$500,000 will support the Police Departments role in this effort, with overtime staffing of offers at the temporary shelters. In addition to the program, the most effective and efficient police staffing levels will also be assessed. The Police Department will look to savings in other areas of the budget to help support the program, notably with the savings realized with any vacant positions. Staff will return to council in the coming months with additional funding requests as needed, and once there is better data and information available on what the program is to entail and what might be needed to fund the ongoing efforts. Attached to this item is an ARPA financial reconciliation.</p>		
A-13: New Financial Grant Analyst – Housing Stability Program Support	CDBG Grants	\$46,642.50
	Misc. Grants	\$14,547.50
Department: CAN	Prepared By: Randy Hillier	
For questions, please include Mary Beth Thompson, Blake Thomas and Tony Milner		
<p>This request is for funding to support one FTE for the remainder of Fiscal Year 2024, which is intended to oversee the grant allocation from the ARPA program, supporting the Housing Stability Program. The proposed Finance Grant Analyst will work under the direction of the Deputy Director of Finance and will assist in the financial monitoring of multiple grants to ensure compliance with city financial processes as well as state and federal grant requirements. The position will be split across two grant funding sources – 75% CDBG and 25% Misc. Grants. A job description for this position is attached.</p>		
A-14: Consulting for Enterprise Billing Systems	IMS	\$250,000.00
Department: IMS	Prepared By: Joseph Anthony / Gloria Cortes	
For questions, please include Aaron Bentley, Gloria Cortes and Joesph Anthony		
<p>This item provides funding for consulting services for the Enterprise Billing systems for PUBS which is primarily used by Sustainability and Public Utilities. PUBS needs to be replaced or upgraded, and the consultant work includes an analysis of the city's needs and compare that to best practices and make a recommendation on where the city should be moving with regards to future decisions. Microsoft’s has the city’s current solution mapped at the end of life by FY2025. Therefore, staff are initiating the work to finding a solution in the current year have an adequate platform it in place by the beginning of FY2025.</p> <p>The proposal and expenses will be paid for by the annual allocation that IMS uses to collect its revenue on an annual basis and is estimated based on 1,000 hours of work, at \$250 per hour.</p>		

### Salt Lake City FY 2023-24 Budget Amendment #3

Initiative Number/Name	Fund	Amount
A-15: Mill & Overlay Pilot Program - CIP Equipment	Transp. Fund	(\$205,177.00)
	CIP	(\$750,000.00)
	Fleet Fund	\$955,177.00
Department: Public Services	Prepared By: Denise Sorensen, Julie Crookston, Greg Cleary	
For questions, please include Jorge Chamorro, Dawn Valente, Mike Atkinson, and Mary Beth Thompson		
<p>Streets received notification in August that the Council had adopted the CIP application of equipment for the Mill &amp; Overlay program, totaling \$750,000. As Streets began to coordinate with Fleet to purchase the equipment it became apparent that the manufacturers ordering window for 2023 had already closed. The 2024 window has now opened, however the manufacturer increased prices such that there is now a \$205,200 deficit (includes make-ready). This item is to request an additional \$205,200 to cover the increase in price, as well as the transfer of the \$750,000 from the CIP Fund to the Fleet Replacement Fund.</p> <p>The vendor has notified us that there will be another price increase, estimated at approximately \$7,000 around mid-December 2023. The next price increase will incur in July 2024, however if we do not have the equipment by Spring 2024 it will be very difficult to evaluate the pilot program as the equipment used during the first part of the fiscal year has been a combination of shared and/or rented.</p> <p>This item includes financial adjustments from the Transportation Fund (1/4 cent sales tax), CIP Funds, and the Fleet Fund to ensure the most appropriate use of funds for the proposed capital equipment procurement. When initially preparing the Capital Budget, the Mill and Overlay Maintenance Pilot Program was funded in the amount of \$750,000 with the 1/4 cent sales tax or the “Transportation Fund”, which is to be dedicated to transportation related projects. However, after consultation with city staff, it was determined that the 1/4 cent sales tax is not intended to support equipment expenses. As a result, staff is reallocating the \$750,000 to the Complete Streets Project, and is proposing to utilize an additional \$205,177 of available Transportation Funds to support the Complete Streets Reconstruction Project, where this funding source is better aligned and is eligible for the given project.</p> <p>This adjustment results in a reduction of general CIP funds needed to support the Complete Streets Reconstruction Project in the amount of \$750,000, which are to be transferred to the Fleet Fund for the capital equipment procurement in support of the Mill and Overlay project. The end result of these adjustments includes the use of \$205,177 of Transportation Funds to support the Complete Streets Project.</p>		
A-16: The Road Home - Family Hotel Winter Interim Plan	GF	\$300,000.00
Department: CAN	Prepared by: Brent Beck, Greg Cleary	
For questions, please include Blake Thomas and Andrew Johnston		
<p>In support of The Road Home program, staff is proposing the use of up to \$300,000 from General Fund Fund Balance to assist the State by adding additional motel options for families ahead of the winter months. The goal of this program is to expand support for families to step out of the cold into a sheltered situation until the opening of the Family Non-Congregate Shelter in 2024. The use of \$300,000 from GF Fund Balance is proposed following council action in Budget Amendment #2, which allocated \$1M back to Fund Balance, associated with the Discontinued Deeply Affordable Housing Development.</p> <p>Attached is the Road Home Family Hotel Winter Interim Plan which outlines the program in more detail, challenges the program faces, staffing levels, and how additional funds will support the program.</p> <p>The Administration is requesting that the Council hold a <b>Straw Poll</b> on funding this initiative to expedite the budget for use in this program.</p>

D-1: Moving Funding for Downtown Central Precinct Tenant Improvements for North Temple Substation and Downtown Central Project	GF	(\$513,208.00)
	GF	\$513,208.00
Department: CAN	Prepared By: Brent Beck	
For question, please include Brent Beck, Blake Thomas, Tammy Hunsaker, JP Goates		
Funding for the Downtown Central Precinct Tenant Improvements for North Temple Sub Station and Downtown Central Project in the amount of \$513,208 was added by the Council to the CAN budget during the budget decision making process. However, this funding should have gone to Public Services since it will be the Facilities division that will be managing the improvements. This item does not allocate any additional funding, but simply moves funding from one department to another for the same work.		
D-2: IMS FY 2023 Encumbrance Roll Forward	IMS	\$4,269,083.00
Department: IMS	Prepared By: Joseph Anthony / Gloria Cortes	
For questions, please include Joseph Anthony, Gloria Cortes, Aaron Bentley		
IMS has encumbered money that was expected to be paid out of the FY23 funds and either will need to be paid, or has already been paid in FY24. These encumbrances are listed in the Carry Over Encumbrance reports. All of these items have been approved for purchase by central finance in a prior year. These expenses will be paid for by the annual allocation that IMS uses to collect it's revenue on an annual basis.		
D-3: Move Cultural Core Funding to Non-Departmental from Arts Council Cost Center	GF	(\$250,000.00)
	GF	\$250,000.00
Department: Non-Departmental, Economic Development	Prepared By: Greg Cleary	
For questions, please include: Mary Beth Thompson, Lorena Rizzo-Jenson, Felicia Baca		
This item is to move funds from the Art's Council Division to the Economic Development's Non-Departmental budget. This is an effort to align funding with the appropriate cost center within the new financial system.

RESOLUTION NO. \_\_\_\_ OF 2023

(Requesting Admission to the Firefighters Retirement System)

WHEREAS, Utah Code Sections 49-23-101 *et seq.* authorize an employer of emergency medical service personnel to elect to include such personnel in the Tier 2 Firefighter Retirement system with the Utah Retirement System; and

WHEREAS, employers of full time emergency medical service personnel including paramedics for interfacility transport, including Salt Lake City Corporation ("City"), are authorized to elect to include such personnel in the Tier 2 Firefighter Retirement system with the Utah Retirement System; and

WHEREAS, it is in the public interest to provide benefits authorized by Utah state law for the public safety personnel by the City; and

WHEREAS, it is the intent of the City Council of Salt Lake City ("City Council") to exercise the election authorized by statute to approve and authorize coverage under the Firefighters Retirement Systems for City firefighter and emergency medical services personnel, including the City's social workers who provide emergency response services.

THEREFORE, BE IT RESOLVED by the City Council of Salt Lake City, Utah, as follows:

1. **Election and Authorization.** The City Council hereby elects to cover the City's emergency service personnel, also including the City's social workers who provide emergency response services, who can be qualified for such coverage pursuant to Utah Code Sections 49-23-101 *et seq.* in the Tier 2 Firefighter Retirement System with the Utah Retirement System. The Mayor is hereby authorized to undertake all of the necessary actions to enroll the City in the benefit programs of the Firefighters Retirement Systems offered by Utah Retirement Systems, including the retirement coverage and death benefit coverage for qualified employees under the laws and regulation of the Utah Retirement Systems.

2. **Effective Date.** This Resolution shall become effective immediately upon passage.

Passed by the City Council of Salt Lake City, Utah, this \_\_\_\_ day of \_\_\_\_\_, 2023.

SALT LAKE CITY ORDINANCE  
No. \_\_\_\_ of 2023

(Division of Legislative Affairs and City Attorney Reporting)

An ordinance amending chapter 2.08.040 of the Salt Lake City Code to add a division of legislative affairs to the Department of the City Attorney and to clarify the City Attorney's reporting obligations to both branches of government.

WHEREAS, Salt Lake City Corporation is the capitol city and engages in year-round efforts to collaborate with and advocate before the Utah legislature.

WHEREAS, the Utah legislature is meeting more frequently and opening more bill files that affect Salt Lake City and all Utah municipalities.

WHEREAS, Salt Lake City has a strong interest in monitoring trends in federal legislation.

WHEREAS, given the City's legislative goals, the City is committed to establishing a fulltime staff of City employees who are engaged in and supporting the City's legislative interests.

WHEREAS, the City Council and the Mayor have a significant interest in equally participating in the direction of the City's collaboration and advocacy for the City's legislative interests.

WHEREAS, under City Code 2.08.040, the Salt Lake City Attorney's Office is responsible to both the Mayor and the City Council, and the executive and legislative branches enjoy equal and independent access to the services of the City Attorney's Office.

WHEREAS, the City Council of Salt Lake City now desires to amend city code to create a division of legislative affairs within the Department of the City Attorney.

WHEREAS, the division of legislative affairs will direct the City's legislative advocacy and collaboration efforts, and will be equally responsible to the Mayor and the City Council.

WHEREAS, the City Council of Salt Lake City also desires to clarify the Department of the City Attorney's reporting obligations to both branches of government and clarify the instances in which the City may hire outside counsel.

NOW, THEREFORE, be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That section 2.08.040 of the Salt Lake City Code is hereby amended to read as follows:

2.08.040: OFFICE OF CITY ATTORNEY:

A. Functions:

1. The city attorney shall be the chief legal officer of the city and shall be responsible to the mayor and city council for the proper administration of the legal affairs of the executive and legislative branches of city government. The city attorney shall report to both the mayor and the council chair and may be removed at the discretion of the mayor.
2. The executive and legislative branches of government shall enjoy equal and independent access to the services of the office of the city attorney with reference to their respective functions and duties. It shall be the responsibility of the city attorney to administer the office of the city attorney in a manner which will enable the mayor and city council to fulfill their respective duties in a timely fashion.
3. The foregoing notwithstanding, the city attorney shall not in any instance, either personally, or by his or her deputies, act as both prosecutor and advocate before (and at the same time advisor to) any board, commission, agency, officer, official or body of the city. In cases where such a conflict shall arise, special counsel may be employed who shall not be subject to the control or direction of the city attorney in such matter, and who shall provide the legal service to or before such board, commission, agency, officer, official or body.

4. Supervise the office of the city recorder, the risk management division, and the division of legislative affairs.

B. Outside Executive Or Legislative Counsel: Nothing in this chapter shall be construed to prohibit the city attorney from retaining outside counsel for either the city council or mayor from appropriated funds, provided, however, that the city attorney will retain outside counsel for either the mayor or city council only after he/she concludes that the office of city attorney has a conflict of interest, is unable, or is unavailable to perform the legal work requested on behalf of such branch of city government.

C. City Recorder:

1. The city recorder shall be assigned to the office of the city attorney and be under the administrative direction of the city attorney; however, the recorder shall be responsible to the city council, which shall have equal and independent access for services with respect to legislative functions.
2. The city recorder shall keep the corporate seal, the official papers and records of the city, as required by law; the record of the proceedings of the city, as required by law; and shall attest legal documents of the city and do those other matters prescribed by law.

D. Division of Legislative Affairs.

1. The division of legislative affairs will be responsible for monitoring state and federal legislation and engaging in advocacy, collaboration, and tracking of all legislative matters for the city.
2. The director of legislative affairs will be responsible for working with the executive and legislative branches of city government to craft a legislative agenda for the city and will report to both branches of city government on legislative priorities and policies.

SECTION 2. That this ordinance shall become effective immediately upon publication.

Passed by the City Council of Salt Lake City, Utah this \_\_\_\_ day of \_\_\_\_\_ 2023.

# The Road Home Family Hotel Winter Interim Plan FY24

**GOAL:** To expand support for families to step out of the cold into a sheltered situation until the opening of the Family Non-Congregate Shelter (FNCS) in 2024.

**CURRENT:** We have contracts with motels for 12 rooms, with one Case Manager.

**CHALLENGES:** Funding, locating and contracting with motel(s), maintaining high level of contact with families to provide needed supports and services, supporting families to follow all motel rules. Scattered site model requires a vehicle.

## TWO PHASE APPROACH (NOVEMBER 2023 - JUNE 2024)

### PHASE ONE: RAMP UP - NOVEMBER 2023

---

**Create a Lease:** Create lease with hotel(s) for a block of rooms beginning of December to rent rooms as allotted by funding and hotel room availability.

- 12 hotel rooms December 2023 - June 2024 at \$288,000
- 24 hotel rooms December 2023 - June 2024 at \$576,000
- 26 hotel rooms December 2023 - June 2024 at \$864,000
  - Average hotel room cost per week for a family of four - \$600-\$800.
  - Average hotel room cost per week for a family of five to eight - \$1,200+.

**Staffing:** Post and hire for staff positions.

- Supportive Services Manager
  - 1 FTE at \$46,000
- Case Manager
  - 1 FTE per 12 hotel rooms at \$34,000

**Other:** Transportation costs including mileage. Supplies will be supplemented with the MFRC budget.

**Prioritization:** Prioritize families with children under 4, unsheltered or in MFRC, and in coordination with Fourth Street Clinic.

- Creates capacity for new families seeking shelter 24/7 at MFRC.

### PHASE TWO: SHIFT IN SERVICES - EARLY 2024

---

**Staff:** Staff hired for this project shifts to Family Non-Congregate Shelter.

**Move:** Families in hotels moved from scattered site hotels/motels into the Family Non-Congregate Shelter upon opening in early spring.
