# 2025 KEY DOWNTOWN ISSUES

1. Entertainment district development
2. Office workplace reckoning
3. Neighborhood-ification of downtown
4. New, well-resourced competition

# **BUDGET NOTE FOR COUNCIL**

**Downtown electrical infrastructure in tree wells and sidewalks has deteriorated and is not functional on a number of downtown streets. Evaluation and improvements are needed in order to:**

- 1. Light the City for the 2034 Winter Olympic Games**
- 2. Continue lighting the City for holiday and winter activations.**
