Budget Impact:
\$1,651,779.98

Recommendation:*
The Administration recommends that the City Council consent to the transfer of these grants and donations from the holding account and establish a project budget.

Background/Discussion

The grant holding account was established to fund grants between budget amendments with the understanding that the grants would be submitted as part of the next budget opening. Items transmitted are placed on a Council Consent agenda and then formally approved during the following budget amendment. On occasion, a similar process is employed for donations to the City.

Will the City Council need to hold a public hearing for this item?*

Yes
 No

Public Process

A public hearing for each of these grants was held prior to receipt of the grant award documents.

FY 2024 Consent Agenda #6

Section G: Council Consent Agenda – Grant Awards		
G-1: Increase Homeless Mitigation Grant	Misc. Grants	\$306,430.98
Department: CAN – Housing Stability	Prepared By: Amy Dorsey / Michelle Hoon	
<p>The State of Utah has given the City an increase for the Homeless Mitigation grant. As a reminder, the City was awarded \$3,107,201 for FY 2024 in budget amendment #2. This award was for: 1) Public Safety staff, program supplies, equipment and vehicle maintenance. 2) two subawards for Volunteers of America and the Downtown Alliance and 3) 2 HEART Coordinators, Case Manager, half the salary of a grants person along with training, travel and program supplies.</p> <p>Due to the City hosting overflow beds, the City received additional funds for FY 24. The City received \$650,000. 2/3 of that money went to shelter providers. The City retained \$216,439.66, which was on this fiscal year's consent agenda #3, was required to be put toward public safety. The City has also been awarded an additional \$42,055.48, which is part of this Consent Agenda request, to go toward Police Department staff time. For a total of \$258,495.14 in additional funds since the original grant was received.</p> <p>In addition to the above-mentioned Homeless Mitigation grant amounts, the state has given the City additional funds of \$264,375.50 which will be used for Police Department for overtime hours.</p> <p>A public hearing for the original award was held 9/9/2023.</p>		
G-2: Increase to Fire BEMS Grant	Misc Grants	\$11,382.00
Department: Fire	Prepared By: Amy Dorsey / Brittany Blair	
<p>In September of 2023 the Fire Department was awarded \$8,014 for their annual allocation for the Bureau of Emergency (BEMS) grant for medical services and preparedness. On March 10, 2024, that amount was increased by a further \$11,382 for a new total of \$19,396. This request pertains to the additional \$11,382 being provided by the BEMS.</p> <p>A public hearing for the original award was held on 10/03/2023.</p>		
G-3: UDOT Contribution for HAWK Signal	Misc. Grants	\$155,000.00
Department: CAN – Transportation	Prepared By: Amy Dorsey / Jeff Gulden	
<p>The City is planning to make improvements to State Street including the addition of a mid-block HAWK signal at 640 South and State Street to accommodate current and future traffic needs. UDOT committed to providing \$155,000 toward the cost of this project.</p> <p>A public hearing was held 4/2/2024</p>		
G-4: 500 South and 600 South Grand Boulevards Concept Development	Misc Grants	\$180,000.00
Department: CAN - Transportation	Prepared By: Amy Dorsey / Lara McLellan	
<p>This project will assess potential changes to Salt Lake City's one-way streets, 500 South and 600 South, from Interstate 15 to residential areas near 700 East. Redevelopment is reshaping the landscape from auto-centric businesses and warehouses to apartments, restaurants, and offices -- places where people live, work, and play. The streets are boundaries for three WFRC centers including the Salt Lake City Metropolitan Center; the streets themselves are transportation barriers, particularly for pedestrians and bicyclists, with a history of fatalities. This study will consider redesigning the streets as boulevards with improved walking and bicycling along them and better connections across them. This project will complete concept reports, cost estimates, and a summary of project engagement for transformative changes. The match for this project will be met with staff time and local cash funds.</p> <p>A public hearing for this award was held on May 7, 2024.</p>		
G-5: The Jordan River Water Trail Tree and Debris Removal	Misc Grants	\$30,000.00

FY 2024 Consent Agenda #6

Department: Public Lands		Prepared By: Amy Dorsey / Tyler Fonarow	
<p>This was not a grant the City applied for, rather the Utah Department of Natural Resources awarded these funds as ongoing support for a previously funded project. The Jordan River Water Trail Tree & Debris Removal project consists of the removal of certain trees and other organic matter and debris waste from the Jordan River Water Trail corridor to enhance safe and accessible non-motorized watercraft navigation while minimizing bank erosion and strengthening bank stability. The state has giving funding for this project twice previously.</p> <p>No public hearing was held as the City did not apply for these funds, but was awarded in support of an ongoing project.</p>			
G-6: Reuse, Reduce and Recycle for a Waste Free Salt Lake		Misc Grants	\$954,687.00
Department: Sustainability		Prepared By: Amy Dorsey / Sophia Nicholas	
<p>The purpose of this award is to enhance Salt Lake City Corporation's efforts to meet the REO grants elements. Specifically, Salt Lake City Corporation will promote the role of reuse, reduce and recycle to achieve zero waste by 2040 by engaging, building trust, and increasing awareness and participation of low-income and disadvantage members of Salt Lake City, UT in residential and community recycling programs.</p> <p>Public hearing was held 4/18/2024</p>			
G-7: Flammable Flaring System		Misc Grants	\$5,000.00
Department: Fire		Prepared By: Amy Dorsey / Brittany Blair	
<p>Marathon Corporation Community Investment Program awarded Salt Lake City's Fire Department \$5000 for a Flammable Gases Flaring System.</p> <p>Public hearing was held 1/16/2024</p>			
G-8: Paul Coverdell Forensic Science		Misc Grants	\$9,280.00
Department: Police		Prepared By: Amy Dorsey / Laura Nygaard	
<p>The Salt Lake City Police Department is proposed as a sub-awardee in the Utah Department of Public Safety, Bureau of Forensic Services (UBFS) application for the FY2023 Paul Coverdell Forensic Science Improvement Grant Program. The state's application includes \$9,280 for the Salt Lake City Police Department Crime Lab 2024 Annual Accreditation Fee through ANAB (ANSI National Accreditation Board) under ISO/IEC 17020. Please note the Coverdell FY 2022 was on consent agenda #5.</p> <p>Public hearing was held 4/2/2024</p>
