## CITY COUNCIL TRANSMITTAL

**BACKGROUND/DISCUSSION:** Harold Woodruff, on behalf of First Step House, seeks to amend the zoning map for the property at approximately 273 E 800 S from I Institutional to RMF-45 Moderate/High-Density Multifamily Residential. A vacant office building that formerly housed the offices of the Disabled American Veterans organization exists on the property. First Step House purchased the property and intends to build Affordable Housing available to those making 30% of the Area Median Income or below. Their proposed project would construct a new multi-family residential building with approximately 34 one-bedroom deeply affordable units with supportive services on-site. The rezone was requested because multi-family dwellings, along with many other residential uses, are not allowed in Institutional Zones. The RMF-45 Zone would allow multi-family as a Permitted use and allow a maximum height of 45'.

The Planning Commission discussed the petition at the December 11, 2024, meeting and held a public hearing on the issue. The Commission voted (6:0) to recommend approval of the zoning map amendment to the City Council with the Condition that the applicant enter into a Development Agreement that the housing built on site will be available to those with 30% Area Median Income or below. The full public meeting can be viewed using [this link](#) at minute 3:45:50

For specific information regarding the proposal, please refer to the Planning Commission Staff Report.

An ordinance amending the zoning map pertaining to a parcel of property located at 273 East 800 South (“Property”) from I Institutional District to RMF-45 Moderate/High Density Multi-Family Residential District pursuant to Petition No. PLNPCM2024-01153.

WHEREAS, the Salt Lake City Planning Commission (“Planning Commission”) held a public hearing on December 11, 2024, on an application submitted by Harold Woodruff, on behalf of First Step House, the owner of the Property, to rezone the Property from I Institutional District to RMF-45 Moderate/High Density Multi-Family Residential District pursuant to Petition No. PLNPCM2024-01153.

The Salt Lake City zoning map, as adopted by the *Salt Lake City Code*, relating to the fixing of boundaries and zoning districts, shall be and hereby is amended to reflect that the Property, as more particularly described on Exhibit “A” attached hereto, shall be and hereby is rezoned from I Institutional District to RMF-45 Moderate/High Density Multi-Family Residential District.

SECTION 4. Time. If the condition set forth in Section 2 above has not been met within one year after adoption, then this ordinance shall become null and void. The City Council may, for good cause shown, by resolution, extend the time period for satisfying the condition identified above.

**Zoning Amendment Application for the property at 273 East 800 South, Salt Lake City, Utah. Change of zone from I to RMF-45**

---

#### **REQUIREMENTS**

**A statement declaring the purpose and justification for the proposed amendment.**

This parcel has been owned by the Disabled American Veterans who no longer need the property and have sold it to First Step House. The property is currently zoned I, has a large parking lot and an older one story office building. First Step House is a local Nonprofit who would like to build a multifamily apartment building to house individuals who earn less than 30% or below AMI. We believe this property is under utilized, is located in a residential area of the city and would help the city achieve its goal of providing more housing for lower income individuals.

---

**A written general description of any future development that is planned for the property including anticipated use, density, scale of development, timing of development, the anticipated impact to existing land uses and occupants of the land subject to the proposal and any additional land use petitions that may be anticipated to develop the site. Visual renderings and basic site plans may be provided by the applicant.**

This project would be a single multifamily apartment building, containing 34 one-bedroom apartment units in a four story building with surface parking. The density on the site will be 52.88 units per acre. Construction is anticipated to start late in 2025 or early in 2026. The existing use is an office building, no existing housing will be displaced by this project.

We believe the impact on surrounding properties would be minimal. The site to the north of us is occupied by an older single family house which is currently zoned RMF-35 and will likely develop as multifamily housing in the future. To the north of them are newer three story multifamily buildings also zoned RMF-35. The nearest neighbor to the west of our site is a single family house located on 265 East 800

273 East 800 South

South. Presently we share a right of way with this neighbor and would keep it in place so there is access to the rear of their property. We have positioned our building as far as possible to the east of our site to lessen the impact on this property. Refer to drawing A202 included. The south elevation shows the existing house and how we would position our new building. (We have taken into account the Regulation on Height Transitions as shown by the Angular Plane). The highest part of the building has been located to the east side of the building as far as possible from this neighbor.

Several single family houses fronting on Alberta Street (240 East) have their rear lots abutting our property. These are zoned SR3. We have pushed our building as far east as possible, placing open space and parking between our building and these lots.

Across 300 East are several two and a half story apartment buildings with a single family house directly across the street to the east on the corner of the intersection. All of these properties are zoned RMF-35. South of this property, across 800 South Street is an existing three story multifamily apartment building with a pitched roof. This property is zoned RMF-45 and is similar in height and massing to our building.

We believe the careful design of our site will minimize any possible impacts to our neighbors. We do not anticipate any additional land use partitions will be needed for this project.

---

**Is the request amending the Zoning May?**

Yes - Parcel Number 130036

---

**Is the request amending the text of the Zoning Ordinance?**

No

---

**COMMUNITY BENEFIT**

A written description regarding the proposed community benefit associated with the amendment. The description shall adequately describe the necessary details to demonstrate that the proposed community benefit is roughly proportionate to the potential increase in development right if the proposed amendment were to be adopted. See 21A.50.050.C for a list of community benefits that can be proposed.

We have embraced Salt Lake City's Ordinance on Affordable Housing Incentives in

the development of our project (Please see the Site Data outlined on our Site Plan and also attached to this application). This project will add 34 affordable units to the cities stock.

Salt Lake City Ordinance No 74 of 2023  
Affordable Housing Incentives

Affordable Housing Incentives are premitted in the RMF-45 District

Table 21A.52.050.G Incentive Types

Table B. Applicable to residential multifamily zoning districts RMF-30, RMF-35, RMF-45 and RMF-75.

Affordable rental developments shall meet at least one of the following affordable criteria:

1. 40% of the units shall be affordable to those with income at or below 60% AMI.
2. 20% of the units shall be affordable to those with incomes at or below 50% AMI.
3. 40% of the units shall be affordable to those with incomes averaging no more than 60% AMI and these units shall not be occupied by those with an income greater than 80% AMI.

*We believe this development will meet all three of the above requirements. First Step House intends for 100% of the residents to be 30% or below AMI.*

D. AFFORDABLE AND SENIOR HOUSING (MULTIFAMILY STRUCTURES): THE MINIMUM NUMBER OF REQUIRED OFF STREET PARKING SPACES FOR MULTI-FAMILY RESIDENTIAL DEVELOPMENTS WITH AT LEAST 10 DWELLING UNITS MAY BE REDUCED BY TWENTY-FIVE PERCENT (25%).

OUR UNITS WILL QUALIFY AS AFFORDABLE HOUSING

FOR A DEVELOPEMENT THAT MEETS ANY OF THE ABOVE, AN ADDITIONAL REDUCTION OF UP TO FIFTEEN PERCENT (15%) MAY BE ALLOWED WHEN THE DEVELOPMENT IS LOCATED WITHIN ONE-QUARTER MILE OF A BUS STOP THAT IS SERVICES BY THE SAME ROUTE AT LEAST EVERY FIFTEEN (15) MINUTES DURING DAYTIME HOURS, MONDAY - SATURDAY.

WE ARE LOCATED WITHIN ONE-QUARTER MILE OF THE BUS STOPS LOCATED 300 EAST AND 900 SOUTH (APPROXIMATELY 850 FEET)

THE REDUCTIONS FOR AFFORDABLE AND SENIOR HOUSING CAN BE COMBINED WITH ANY OTHER ALLOWED REDUCTIONS FOR A COMBINED TOTAL NOT TO EXCEED EIGHTY PERCENT (80%)
