RE: Legislative Action: Outdoor Live Performance Events General Commercial Zone

Motion to Initiate Legislative Action

I move the Council initiate a legislative action starting the process for city staff to research and draft an ordinance that would allow live performance theater use either indoors or outdoors in the General Commercial zone and other districts that may be appropriate based on the intensity, scale and location of the district, by changing the title "theater, live performance" to "theater, live performance (indoor or outdoor)" in the land use tables.
