

Goals

Housing

- (1) Protect tenants and increase housing stability;*
- (2) Preserve existing affordable housing; and*
- (3) Produce more affordable housing*

Homeless Services

- (1) Expand and enhance services and resources that prevent homelessness;*
- (2) Increase access to and availability of support services and case management for people experiencing and at risk of homelessness; and*
- (3) Prioritize resources and services for individuals experiencing unsheltered homelessness*

Transportation

- (1) Make transit and active transportation competitive and attractive modes of travel;*
 - (2) Support investments that will move toward a goal of zero traffic deaths; and*
 - (3) Heal the east/west transportation divide*
-

Community Resiliency

Proposed to be modified to "Community Services"

- (1) Improve access and opportunity to relevant and dignified food choices;*
 - (2) Increase access to high-quality and affordable childcare and out-of-school care; and*
 - (3) Improve access to technology and technology literacy*
-

Behavioral Health

Business and Workforce Development

- (1) Job training and support services;*
 - (2) Small business support; and*
 - (3) Small local business façade improvements*
-

Attachment C2. Proposed FY2025 to 2029 Consolidated

2020-2024 Strategies

1. Support housing programs that address the needs of aging housing stock through targeted rehabilitation efforts and diversifying the housing stock within the neighborhoods
2. Support affordable housing development that increases the number and types of units available for qualified residents
3. Support programs that provide access to home ownership
4. Support rent assistance programs to emphasize stable housing as a primary strategy to prevent and/or end homelessness *[moved to Homeless Services #1]*
5. Support programs that provide connection to permanent housing upon exiting behavioral health programs
6. Provide housing and essential supportive services to persons with HIV/AIDS

-
1. Expand support for medical and dental care options for those experiencing homelessness
 2. Provide support for homeless services including Homeless Resource Center Operations and Emergency Overflow Operations
 3. Provide support for programs undertaking outreach services to address the needs of those living an unsheltered life
 4. Expand case management support as a way to connect those experiencing homelessness with permanent housing and supportive services

-
1. Within eligible target areas, improve bus stop amenities as a way to encourage the accessibility of public transit and enhance the experience of public transit

2. Within eligible target areas, expand and support the installation of bike racks, stations, and amenities as a way to encourage use of alternative modes of transportation
3. Support access to transportation, prioritizing very low-income and vulnerable populations

-
1. Support job training and vocational rehabilitation programs that increase economic mobility
 2. Improve visual and physical appearance of deteriorating commercial buildings - limited to CDBG Target Area *[moved to Business and Workforce Development #6]*
 3. Provide economic development support for microenterprise businesses
 4. Direct financial assistance to for-profit businesses
 5. Expand access to early childhood education to set the stage for academic achievement, social development, and change the cycle of poverty
 6. Promote digital inclusion through access to digital communication technologies and the internet
 7. Provide support for programs that reduce food insecurity for vulnerable population

-
1. Expand treatment options, counseling support, and case management for those experiencing behavioral health crisis
-

Was not a goal in the 2020-2024 Consolidated Plan

d Plan Goals and Strategies.
