

City Council Announcements

May 20, 2025

Information Needed

A. Downtown Alliance Exploration Changes

Staff has been in touch with the Downtown Alliance staff to confirm some adjustments that have been made to the program to ensure compliance with the Council's travel policy. This means that the full Council is eligible to go.

Let us know if you are interested in going and staff can register you. As a reminder it is September 17-20 this year.

In addition, the Administration let us know they are putting together some extra content in the days leading up to the DTA trip to review homeless service providers in Seattle. Let us know if you're interested or available for those extra days.
