GRANT DETAILS:

This project encompasses a reconstruction of a deteriorated street at 1300 E. from 2100 S. to the Southern City Boundary, including removal and replacement of the pavement, curb and gutter, and pedestrian/bicycle improvements. A Complete Streets approach will be taken following the recommendations of the Local Link Circulation Plan. The project will modify the intersection at Richmond / 1300 East / Highland Drive with a bike-protected intersection and a grade-separated shared-use path on the east side of 1300 East. Also upgrading all curb ramps to ADA requirements. Adding RRFBs at the unsignalized I-80 pedestrian crossings. Funds are programmed over six years and applicants currently will be competing for funds available in the federal fiscal year 2030. The match for this project will include staff FTE and other cash funds.
