### Information Needed

#### **A. NARHO Conference in Washington D.C**

Council Member Mano is interested in attending the NAHRO Conference in Washington D.C., which is scheduled at the same time as the NLC Conference. He still plans to join the Council for some D.C. Congressional meetings, and staff is working to coordinate that. The NAHRO conference is not one of the standard Conferences for Council travel.

- Does the Council approve Council Member Man attending the conference?
