### CITY COUNCIL TRANSMITTAL

#### BACKGROUND/DISCUSSION:

Taylor Thomas, owner of 2680 S Chadwick, has requested to vacate the entire alley located between lots 1501-1533 and lots 1545-1576 of Highland Park Plat A. The applicant has requested the vacation due to various structures and vegetation in the alley, as well as an overall lack of use. The request is supported by the Sugar House Master Plan.

The subject alley was created as part of the Highland Park Plat A which was recorded in 1909. The alley is approximately 810 feet in length and 12 feet in width. The entire block of the alley is zoned R-1/5,000 Single-Family Residential and residential in nature.

The alley, outlined in yellow below, is not utilized for access by any abutting property and is obstructed at multiple points. Various structures, including utility poles, garages and sheds, and walls or fences impede access and block the ability to utilize the alley. Alley vacation requests are required to have the signed consent of at least 75% of the abutting property owners. The applicant has provided the signed consent of 84% of the abutting property owners.

### WHAT IS AN ALLEY VACATION?

As part of the subdivision process, early developers were required to create alleys which were then deeded to the City. They were used for coal delivery, garbage pickup and other services. They also allowed access to garages. Today, when an alley is shown on a plat as a public right of way, it means the City is the owner. In situations where it can be demonstrated that there is an over-riding public purpose for vacating the alley, the City may relinquish its property interest in the alley.

### WHAT IS A STREET VACATION?

A street vacation involves the transferring of a right-of-way of a public street to a private property owner. It is the disposition of a significant parcel of real property, which requires a public hearing and final decision from the City Council.

### TRANSFERRING THE LAND

When an alley / street is next to or abuts a single family or duplex residential property, the City vacates it, divides it in half, and the property is conveyed to the abutting property owners. If the alley / street is next to or abuts a non-residential, or multifamily residential (3 or more dwelling units) property, the City may close it and then sell the land at fair market value to the abutting property owners.

### WHAT THE CITY CONSIDERS BEFORE AN ALLEY / STREET VACATION?

#### 14.52.020: POLICY CONSIDERATIONS

The City will not consider disposing of its interest in an alley, in whole or in part, unless it receives a petition in writing which demonstrates that the disposition satisfies at least one of the following policy considerations:

- A. **Lack Of Use:** The City's legal interest in the property appears of record or is reflected on an applicable plat; however, it is evident from an on site inspection that the alley does not physically exist or has been materially blocked in a way that renders it unusable as a public right-of-way;
- B. **Public Safety:** The existence of the alley is substantially contributing to crime, unlawful activity, unsafe conditions, public health problems, or blight in the surrounding area;
- C. **Urban Design:** The continuation of the alley does not serve as a positive urban design element;
- D. **Community Purpose:** The petitioners are proposing to restrict the general public from use of the alley in favor of a community use, such as a neighborhood play area or garden.

#### 14.52.030: FACTORS CONSIDERED:

1. All other relevant City departments have no objection to the proposal;
2. The petition meets at least one of the policy considerations stated above;
3. The vacation will not deny access or parking to any adjacent property;
4. The vacation will not result in any property being landlocked;
5. The vacation will not result in a use of the alley property which is otherwise contrary to the policies and goals of the City;
6. No abutting property owner intends to build a garage requiring access from the alley;
7. The petition is for an entire alley, rather than a small segment of it; and
8. The alley is not necessary for actual or potential rear access to residences or for accessory use.

To Whom it May Concern:

I am requesting a vacation of the alley located behind Chadwick Street in Salt Lake City. After speaking with Salt Lake City officials, it was determined there was no need for the alley to exist. The policy consideration would be deemed lack of use: the City's legal interest in the property appears of record or is reflected on an applicable plat; however, it is evident from an on-site inspection that they alley does not physically exist or has been materially blocked in a way that renders it unusable as public right-of-way.

From what I have gathered, all streets throughout the Highland Park neighborhood had similar alleyways in the rear of each property. With this vacation, the last alley will no longer exist.

Thank you,

Taylor Thomas
