- An aerial photograph of Salt Lake City, Utah, showing the city's skyline with various buildings and the Utah State Capitol in the center. The city is surrounded by green hills and mountains in the background. A dark diagonal banner is overlaid on the left side of the image.
- **The good news is that ~62% of unvaccinated Utahns (including about 72% of Salt Lake County residents) are still interested in being vaccinated.**
 - We are working on a big back-to-school vaccine push and will share details as soon as we can.
