

RESOLUTION NO. ____ OF 2021

Extension of Declaration of Local Emergency: COVID-19

WHEREAS, under Utah Code 53-2a-208, the chief executive of a municipality may declare a local emergency, which local emergency may remain in effect for up to 30 days.

WHEREAS, under Utah Code 53-2a-208(6), any extension of the local emergency beyond the initial 30 days must be with the consent of the governing body of the municipality.

WHEREAS, on August 20, 2021, Salt Lake City Mayor Erin Mendenhall issued a Declaration of Local Emergency and Exercise of Emergency Powers No. B of 2021 in response to the resurgence of the highly transmissible Delta variant of the COVID-19 virus in Salt Lake City ("Proclamation B of 2021").

WHEREAS, based on the rising cases of the Delta variant of COVID-19, the increase of hospitalizations and ICU utilization in the State related to COVID-19, and the high transmissibility of the Delta variant, the City Council has determined that extending the duration of the local emergency is in the best interest of the health, safety, and welfare of Salt Lake City's residents.

NOW THEREFORE, BE IT RESOLVED by the City Council of Salt Lake City, Utah, the following:

1. The Council approves the extension of Proclamation B of 2021 from the date of this Resolution until _____, 2021, unless later extended or terminated by subsequent resolution of the Council or unless terminated pursuant to State law.

2. Prior to the issuance of any proclamation exercising emergency powers under Proclamation B of 2021, the Mayor shall provide written notification to the Council of: (a) the specific powers the Mayor intends to exercise; (b) the justification for exercising such powers in connection with the local emergency; and (c) the anticipated effect of the exercise of such powers, including the anticipated cost or lost revenue to the City.

3. At any Council meeting while the local emergency is still in effect, the Council may seek additional information from the Mayor, including the actual effect of the exercise of any emergency powers and the actual costs or lost revenue to the City due to such exercise of powers.

4. This Resolution shall be effective immediately upon passage.

Passed by the City Council of Salt Lake City, Utah this 14th day of September, 2021.
