POLICY QUESTIONS

- 1 How much should we reserve for FY23?
- 2 Should we use ARPA for CIP/Bond to preserve bond capacity/fund balance?
- 3 How do we balance one-time projects with ongoing people and program expenses?
- 4 What are our unmet community needs?
- 5 What have we heard from the community?
- 6 *When will we revisit the \$1.5 million holding account from 10 ARPA-ineligible administration funding requests?
