##### **A. Packet Materials for the July 19, 2022 meeting.**

Council Members for next week's offsite Council meeting we are unsure of the internet reliability. There are a few options to make sure you have your packet materials for that meeting.

- You can download your Dropbox materials to your computer
- You can download the packet from PrimeGov to your computer
- We can have a hard copy of the packet printed for you

➤ Please let Linda or your liaison know how you would like to receive your agenda and packet materials for the July 19<sup>th</sup> Council meeting.
