RE: **Public Hearing for Parks, Trails, and Open Space Bond**

MOTION 1 – CLOSE PUBLIC HEARING

I move that the Council close the public hearing.

Staff note: If voters approve the \$85 million bond proposition, then in accordance with Utah law resulting funds will solely pay for the costs to acquire, improve, renovate, and upgrade various parks, trails, open space and related facilities and recreational amenities. The Council acting as the Board of Canvassers is scheduled to hold a public meeting on November 22 to accept, review and certify the November 8 special bond election results.
