- ☒ Match Required \$20,000 ☐ In-Kind Services and ☒ Cash

GRANT DETAILS:

Economic Development is requesting technical assistance in the form of a consultant to perform a needs assessment of the North Temple corridor and propose an economic strategy that integrates existing plans with current economic conditions of the business environment and the needs of the surrounding neighborhoods. The plan will address community needs and gaps with incentives to provide mixed use developments that support access to basic needs including fresh food, healthcare, and affordable housing, and other needs identified by the community.

WFRC selects a consultant best suited to the City's needs and goals in delivering a successful strategy.

Economic Development is providing \$20,000 of existing budget for the required match.
