MOTION SHEET

CITY COUNCIL *of* SALT LAKE CITY

TO: City Council Members

FROM: Brian Fullmer
Policy Analyst

DATE: February 6, 2024

RE: Zoning Map Amendment at 357 East 500 South, 375 East 500 South,
464-466 South 400 East, and 460-462 South 400 East
PLNPCM2023-00403

MOTION 1 (close and defer)

I move that the Council close the public hearing and defer action to a future Council meeting.

**(Additional information will be provided by the petitioner after the public hearing.
The Council may want to consider continuing the hearing.)**

MOTION 2 (continue hearing)

I move that the Council continue the public hearing to a future Council meeting.

COUNCIL STAFF REPORT

CITY COUNCIL of SALT LAKE CITY

TO: City Council Members

FROM: Brian Fullmer
Policy Analyst

DATE: February 6, 2024

**RE: Zoning Map Amendment at 357 East 500 South, 375 East 500 South,
464-466 South 400 East, and 460-462 South 400 East
PLNPCM2023-00403**

Item Schedule:

Briefing: January 9, 2024

Set Date: January 16, 2024

Public Hearing: February 6, 2024

Potential Action: February 20, 2024

BRIEFING UPDATE

Much of the discussion at the January 9, 2024 briefing was focused on what community benefit would be provided if the properties are rezoned. Affordable housing, family-sized units, and green space were among the considerations Council Members suggested. The petitioner said they planned for market rate units but would consider some affordable units. They noted that, given current market conditions, it may be years before a project is developed on the parcels. They also discussed a multi-family project with 54 two-bedroom units that is under construction on one of the parcels. This building is being constructed under the existing RMU-45 zoning.

Some Council Members expressed concern with approving the zoning map amendment before more information about what is planned for the site is provided.

The petitioner will provide more information to the Council after discussing it with the property owner and other applicants.

The following information was provided for January 9, 2024 Council briefing. It is included again for background purposes.

The Council will be briefed about a proposal to amend the zoning map for parcels at 357 East 500 South, 375 East 500 South, 464-466 South 400 East, and 460-462 South 400 East in City Council District Four from their current RMU-45 (Residential/Mixed Use) zoning designation to TSA-UC-C (Transit Station

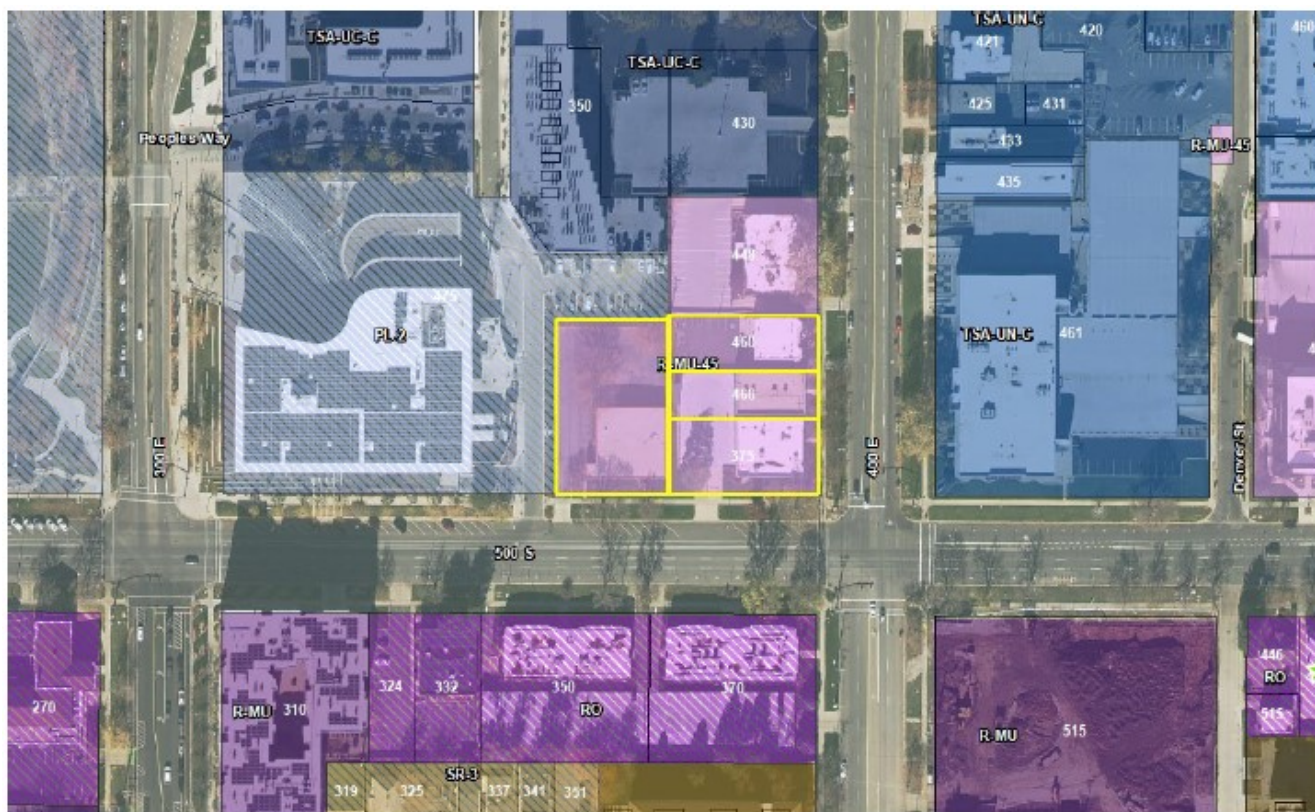

Area-Urban Center-Core). The proposed zoning would allow greater building height than the current RMU-45 zoning.

Current zoning allows residential buildings up to 45 feet high (up to 55 feet through design review). The proposed zoning allows buildings up to 90 feet, with potential for an additional story if the development score qualifies for administrative review. Though plans have not been submitted, the petitioner's stated intent is to construct a mixed-use development with ground floor commercial and retail, with residential uses above.

The four subject properties total approximately 1.28 acres and include one- and two-story buildings used for commercial purposes. A single-story commercial building at 357 East 500 South was recently demolished. In 2010 the Central Community Master Plan was amended with the block's various land use designations changing to "Civic/Mixed-Use." Prior to that time the subject parcels were designated as Residential/Office Mixed Use. A City initiated zoning map amendment was adopted in 2012 which changed the zoning from RO (Residential/Office) to the current RMU-45.

Zoning on the block includes a mix of R-MU-45, TSA-UC-C, and PL-2 (Public Lands (the Public Safety Building is west of the subject properties). Zoning on adjacent blocks consists of TSA-UN-C (Transit Station Area - Urban Neighborhood – Core), RO, R-MU, and PL-2 as shown in the zoning map below.

*Area zoning map with the subject property outlined in yellow.
Image courtesy of Salt Lake City Planning Division.*

The Planning Commission reviewed the proposed zoning map amendment during its September 13, 2023 meeting and held a public hearing at which two people spoke in support of the proposal. Planning staff received email comments expressing concern with loss of mountain and downtown views, traffic, parking, congestion, pollution, and construction issues. **Planning staff recommended and the Commission**

voted 8-1 to forward a positive recommendation to the City Council. The Commissioner who voted against the motion did not state why he was opposed.

Goal of the briefing: Review the proposed zoning map amendments, determine if the Council supports moving forward with the proposal.

POLICY QUESTIONS

- 1. The Council may wish to ask the applicant if they plan to include any affordable housing in potential future projects on the subject sites. If yes, is the Council interested in asking the applicant if they would be willing to enter into a development agreement pertaining to affordable housing units?
- 2. The Council may wish to ask the Administration how the Affordable Housing Incentives may impact this petition or development potential on the property.

ADDITIONAL INFORMATION

The Council is only being asked to consider rezoning the property. No formal site plan has been submitted to the City nor is it within the scope of the Council’s authority to review the plans. Because zoning of a property can outlast the life of a building, any rezoning application should be considered on the merits of changing the zoning of that property, not simply based on a potential project.

KEY CONSIDERATIONS

Planning staff identified two key considerations related to the proposal which are found on pages 3-7 of the Planning Commission staff report and summarized below. For the complete analysis, please see the staff report.

Consideration 1 - How the proposal helps implement City goals and policies identified in adopted plans.

Planning staff found that the proposed zoning map amendment generally aligns with *Plan Salt Lake*, the *Central Community Master Plan*, and *Housing Salt Lake*’s goals and initiatives. It would provide redevelopment potential for additional density in an area with existing infrastructure and served by transit.

Consideration 2 – Compatibility with nearby properties.

It is Planning staff’s opinion that the proposed TSA-UC-C zoning is appropriate based on land to the north of the Public Safety Building with the same zoning, and the site’s proximity to the Trax Library Station.

It should be noted that the current RMU-45 zoning requires one parking space per dwelling unit, and 1.5 spaces per 1,000 square feet for retail goods and services establishments. The proposed TSA-UC-C zoning does not have a minimum parking requirement.

ZONING COMPARISON

The following table compares building height, setback, and other requirements for the current RMU-45 and proposed RMF-30 zoning districts.

	<i>RMF-35 (Current)</i>	<i>TSA-UC-C (Proposed)</i>
<i>Maximum Building Height</i>	45 feet, except that nonresidential buildings are limited to 20 feet and nonresidential uses are only permitted on the ground floor.	90 feet, buildings with a roof with at least two sloping planes may be allowed up to 105 feet. An additional story may be added when a project has a development

	Buildings up to a maximum of 55 feet, may be authorized through the design review process.	score that qualifies for administrative review.
<i>Yards/Setbacks</i>	<p>Nonresidential, Multifamily, and Mixed Use:</p> <p>Front/Corner side yard: Minimum five feet, Maximum 15 feet.</p> <p>Interior side yard: No setback required.</p> <p>Rear yard: 25% of lot depth, but need not exceed 30 feet.</p>	<p>500 South: Front/Corner side yard: Minimum is equal to the average setback of other principal buildings on the same block face.</p> <p>All other streets: Front/Corner side yard: None Interior side and rear yards: Minimum: None, based on existing surrounding zoning.</p>
<i>Minimum Open Space</i>	For residential uses and mixed uses containing residential uses, not less than 20% of the lot area shall be maintained as an open space area. This open space area may take the form of landscaped yards or plazas and courtyards, subject to site plan review approval.	Open space areas shall be provided at a rate of one square foot for every 10 square feet of land area included in the development, up to 5,000 square feet for core areas, and up to 2,500 square feet for transition areas. Open space areas include landscaped yards, patios, public plazas, pocket parks, courtyards, rooftop and terrace gardens and other similar types of open space area amenities. All required open space areas shall be accessible to the users of the building(s).
<i>Parking Structures/Circulation</i>	Parking structures not attached to the principal building shall maintain a 45-foot minimum setback from a front or corner side yard property line or be located behind the primary structure.	Parking is prohibited between the street-facing building line and any front or corner side property line. This shall include any drive aisle that is not perpendicular to the front or corner side property line.
<i>Lot Area/Width</i>	<p>Multi-Family Dwellings: 5,000 square feet for new lots. No minimum for existing lots. 50-foot lot width.</p> <p>Nonresidential Uses: No minimum lot area or lot width.</p> <p><i>*See table in 21A.24.168.C for additional uses</i></p>	<p>Minimum lot area: 2,500 square feet. Minimum lot width: 40 feet.</p> <p><i>Do not apply to existing lots</i></p>

Analysis of Standards

Attachment E (pages 31-32) of the Planning Commission staff report outlines zoning map amendment standards that should be considered as the Council reviews this proposal. The standards and findings are summarized below. Please see the Planning Commission staff report for additional information.

Factor	Finding
Whether a proposed map amendment is consistent with the purposes, goals, objectives, and policies of the city as stated through its various adopted planning documents.	<i>Complies</i>
Whether a proposed map amendment furthers the specific purpose statements of the zoning ordinance.	<i>Complies</i>
The extent to which a proposed map amendment will affect adjacent properties	<i>Complies</i>
Whether a proposed map amendment is consistent with the purposes and provisions of any applicable overlay zoning districts which may impose additional standards.	<i>Complies</i>
The adequacy of public facilities and services intended to serve the subject property, including, but not limited to, roadways, parks and recreational facilities, police and fire protection, schools, stormwater drainage systems, water supplies, and wastewater and refuse collection.	<i>Complies</i>

City Department Review

During City review of the petitions, no responding departments or divisions expressed concerns with the proposal, but stated additional review and permits would be required if the property is developed. The Police Department said the current placement of communications antennas and dishes would not be impacted by a new building at the subject location. The department wondered whether additional point-to-point connections on a new building would be possible. Discussions about installing equipment on a new building would not involve the City Council.

PROJECT CHRONOLOGY

- May 24, 2023-Petition for zoning map amendment received by Planning Division.
- June 8, 2023-Petition assigned to Sara Javoronok, Senior Planner.
- June 15, 2023-Email sent to Central City Community Council informing them of the petition.
- August 31, 2023-
 - Planning Commission hearing notices posted on City and State websites and Planning Division listserv.
 - Notices mailed to property owners/residents.
 - Sign posted on property
- September 13, 2023- Planning Commission public hearing. The Planning Commission voted 8-1 to forward a positive recommendation to the City Council for the proposed zoning map amendment.
- September 14, 2023-Ordinance review requested from City Attorney's Office.

- September 26, 2023-Planning received signed ordinance from the Attorney's Office.
- October 17, 2023-Transmittal received in City Council Office.

CITY COUNCIL TRANSMITTAL

Rachel Otto (Oct 17, 2023 11:38 MDT)

Rachel Otto, Chief of Staff

Date Received: 10/17/2023

Date sent to Council: 10/17/2023

TO: Salt Lake City Council
Darin Mano, Chair

DATE: October 17, 2023

FROM: Blake Thomas, Director, Department of Community & Neighborhoods

SUBJECT: PLNPCM2023-00403 – 500 S and 400 E

STAFF CONTACT: Sara Javoronok, AICP Senior Planner
sara.javoronok@slcgov.com, 801-535-7625

DOCUMENT TYPE: Ordinance

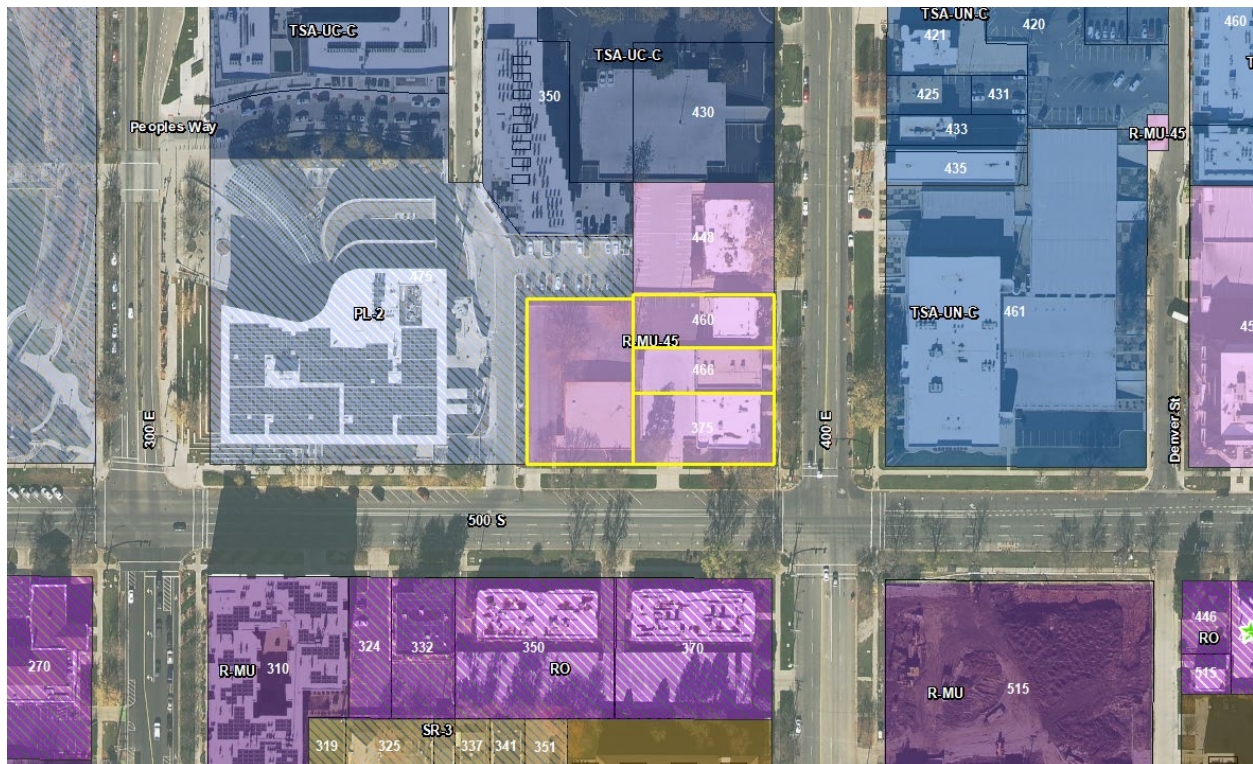

RECOMMENDATION: The City Council amend the text of the zoning ordinance as recommended by the Planning Commission.

BUDGET IMPACT: None.

BACKGROUND/DISCUSSION: The applicant, Zachary Jones of Cowboy Partners, on behalf of the property owners, is requesting a Zoning Map amendment for the properties at approximately 357 E 500 S, 375 E 500 S, 464-466 S 400 E, and 460-462 S 400 E. The applicant is requesting a Zoning Map amendment to change the zoning of the parcels from the RMU-45 (Residential/Mixed Use) to the TSA-UC-C (Transit Station Area – Urban Center – Core) zoning district. Future development plans were not submitted with the application. The applicant's anticipated use of the site is for ground floor retail with residential units above the first floor.

The four properties are approximately 1.28 acres, or 55,750 sq. ft. The existing properties are occupied by 1-2 story buildings with commercial uses. The land use designation for the property is Civic/Mixed Use. A city initiated zoning map amendment adopted in 2012 for the 400 South Livable Communities changed the zoning of the property from RO (Residential/Office) to RMU-45 ([PLNPCM2010-00647](#)). The proposed zoning map amendment is consistent with the existing

land use designation. The 357 E 500 S site was the subject of [PLNPCM2021-01109](#) and [PLNPCM2021-01150](#), a Planned Development and Design Review approved by the Planning Commission in March 2022. There is a building permit in for review for this approval.

Zoning map with subject properties outlined in yellow

The zoning on the adjacent properties is a mix of districts:

- North:** RMU-45, occupied by a two-story commercial building
- South:** RO, occupied by a two-story commercial building
- East:** TSA-UN-C, occupied by a three-story commercial building, rezoned from RMU-45 to TSA-UN-C in 2021 with [PLNPCM2020-00804](#)
- West:** PL-2, Public Safety Building

The existing and proposed zoning districts permit the anticipated use for the subject properties – a mixed use building with retail on the first floor and residential units on the upper floors. There are several differences as follows:

- The RMU-45 zoning district is designed for urban neighborhoods where there is a mix of uses, and the TSA zoning districts are located around light rail transit stations. The Urban Center Core area has a specific emphasis on the proximity to a transit station and supporting rather than competing with downtown.
- The RMU-45 (Residential/Mixed Use) zoning district is within Chapter 24: Residential Districts in the city’s zoning ordinance, and the TSA-UC-C (Transit Station Area – Urban Center – Core) zoning district is within Chapter 26: Commercial Districts. This results in a wider range of permitted and conditional uses

in the TSA-UC-C zoning district compared to the RMU-45 zoning district. This is detailed in Attachment D of the staff report to the Planning Commission.

- The proposed TSA-UC-C zoning district allows for greater height than the existing zoning district, approximately three additional stories. The RMU-45 zoning district permits 45' in building height by right. An additional 10' can be requested and is reviewed through the Design Review process. The previously reviewed proposal requested an additional 5' through the Planned Development process for a total of 60'. The proposed TSA-UC-C zoning district allows for 90' by right and an additional story can be added when a proposal meets the administrative review requirements during the TSA Review process. The same as in the RMU-45 zoning district, an additional 5' could be added through the Planned Development process.
- Both zoning districts have smaller setbacks typical for urban neighborhoods. There are minimum open space requirements for both zoning districts and these spaces can be in plazas or courtyards. TSA-Core zoning districts do not have a minimum parking requirement and the RMU-45 zoning district requires 1 space per dwelling unit and 1.5 spaces per 1,000 sq. ft. for retail goods and services establishments. The two zoning districts have extensive design standards. The TSA standards are more restrictive compared to the RMU-45 standards. Less EIFS is permitted, durable materials are required on upper floors, trees are required in yards greater than 10', building entrances are required more frequently, and there is a limit on the building length.

With the rezoning in 2012, the RMU-45 zoning district was established based on the existing and anticipated development in the area. Over the intervening years, significant development has occurred on 400 South and adjacent areas. In this case, the proposed TSA-UC-C zoning district is appropriate for the subject properties based on the existing TSA-UC-C zoned land to the north of the public safety building parking area and the site's proximity to the Trax Library Station.

PUBLIC PROCESS:

The Planning Commission held a public hearing to discuss the proposal on September 13, 2023. Two members of the public spoke in support of the proposal. The Planning Commission voted to forward a positive recommendation to the City Council by a vote of 8-1.

The following is a list of public meetings that have been held, and other public input opportunities, related to the proposed project since the application was submitted:

- June 15, 2023 – The Central City Community Council was sent the 45-day required notice for recognized community organizations. Staff did not receive a response.
- June 15, 2023 - Property owners and residents within 300 feet of the development were provided early notification of the proposal. Staff received a number of comments related to the proposal. Most comments were not in support of the request. The concerns expressed related to loss of mountain and downtown views, traffic, parking, congestion, pollution, and issues with construction.
- June-September 2023 – The project was posted to the Online Open House webpage.

Notice of the public hearing for the proposal included:

- August 31, 2023

- Public hearing notice sign posted on the property
- August 31, 2023
 - Public hearing notice mailed
 - Public notice posted on City and State websites and Planning Division listserv

1. ORDINANCE

SALT LAKE CITY ORDINANCE

No. _____ of 2023

(An ordinance amending the zoning of properties located at 357 and 375 East 500 South, 464-466 South 400 East, and 460-462 South 400 East)

An ordinance amending the zoning map pertaining to property located at 357 and 375 East 500 South, 464-466 South 400 East, and 460-462 South 400 East from RMU-45 Residential/Mixed Use District to TSA-UC-C Transit Station Area – Urban Center – Core District pursuant to Petition No. PLNPCM2023-00403.

WHEREAS, the Salt Lake City Planning Commission (“Planning Commission”) held a public hearing on September 13, 2023 to consider a petition by Zachary Jones of Cowboy Partners to rezone four parcels located at 357 and 375 East 500 South, 464-466 South 400 East, and 460-462 South 400 East (Tax ID Nos. 16-06-405-025-0000, 16-06-405-019-0000, 16-06-405-013-0000, and 16-06-405-012-0000) (collectively, the “Property”) from RMU-45 Residential/Mixed Use District to TSA-UC-C Transit Station Area – Urban Center – Core District; and

WHEREAS, at its September 13, 2023, meeting the Planning Commission voted in favor of transmitting a positive recommendation to the Salt Lake City Council (“City Council”) on said petition; and

WHEREAS, after a public hearing on this matter the City Council has determined that adopting this ordinance is in the city’s best interests.

NOW, THEREFORE, be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. Amending the Zoning Map. The Salt Lake City zoning map, as adopted by the *Salt Lake City Code*, relating to the fixing of boundaries and zoning districts, shall be and hereby is amended to reflect that the Property, identified on Exhibit “A” attached hereto, shall be

and hereby is rezoned from RMU-45 Residential/Mixed Use District to TSA-UC-C Transit Station Area – Urban Center – Core District.

SECTION 2. Effective Date. This Ordinance shall become effective on the date of its first publication.

Passed by the City Council of Salt Lake City, Utah, this _____ day of _____, 2023.

Ordinance rezoning 357 East 500 South, 375 East 500 South,
464-466 South 400 East, and 460-462 South 400 East

APPROVED AS TO FORM
Salt Lake City Attorney's Office
Date: September 26, 2023
By: Katherine D. Pasker
Katherine D. Pasker, *Senior City Attorney*

EXHIBIT “A”

Legal Description of Property to be Rezoned:

357 East 500 South

Tax ID No. 16-06-405-025-0000

Commencing at the Southeast corner of Lot 2, Block 35, Plat "B", Salt Lake City Survey and running thence West 7.5 Rods; thence North 193.4 feet; thence East 7.5 rods; thence South 193.4 feet to the place of beginning.

375 East 500 South

Tax ID No. 16-06-405-019-0000

Commencing at the Southeast Corner of Lot 1, Block 35, Plat “B”, Salt Lake City Survey and running thence West 165 feet (South 89°45’41” West 165 feet per county); thence North 82.5 feet (North 00°14’24” West 82.5 feet per county); thence East 165 feet (North 89°45’41” East 165 feet per county); thence South 82.5 feet (South 00°14’24” East 82.5 feet per county) to the place of beginning.

464 - 466 South 400 East

Tax ID No. 16-06-405-013-0000

Commencing 5 rods North of the Southeast Corner of Lot 1, Block 35, Plat “B”, Salt Lake City Survey and running thence North 54 feet; thence West 165 feet; thence South 54 feet; thence East 165 feet to the place of beginning.

460 - 462 South 400 East

Tax ID No. 16-06-405-012-0000

Commencing 136.5 feet North of the Southeast Corner of Lot 1, Block 35, Plat “B”, Salt Lake City Survey and running thence North 61.5 feet; thence West 165 feet; thence South 61.5 feet; thence East 165 feet to the place of the beginning.

2. CHRONOLOGY

PROJECT CHRONOLOGY

Petition: PLNPCM2023-00403

May 24, 2023	Zachary Jones of Cowboy Partners submits an application for a Zoning Map Amendment for the properties at approximately 357 E 500 S, 375 E 500 S, 464-466 S 400 E, and 460-462 S 400 E.
June 8, 2023	Petition PLNPCM2023-00403 assigned to Sara Javoronok, Senior Planner, for staff analysis and processing.
June 15, 2023	Email sent to Central City Community Council informing them of the petition.
August 31, 2023	Sign posted on property.
August 31, 2023	Planning Commission hearing notices posted on City and State websites and Planning Division listserv. Notices also mailed out to property owners/residents.
September 13, 2023	Planning Commission reviewed the petition and held a public hearing. The commission voted 8-1 to send a positive recommendation to the City Council.
September 14, 2023	Ordinance review requested from City Attorney's office.

3. NOTICE OF CITY COUNCIL HEARING

NOTICE OF PUBLIC HEARING

The Salt Lake City Council is considering Petition **PLNPCM2023-00403**, a rezone request at approximately 500 S and 400 E. Zachary Jones of Cowboy Partners, on behalf of the property owners, is requesting a Zoning Map Amendment for the properties at approximately 357 E 500 S, 375 E 500 S, 464-466 S 400 E, and 460-462 S 400 E. The proposal is for a map amendment from RMU-45 (Residential/Mixed Use) to the TSA-UC-C (Transit Station Area Urban Center Core) zoning district. This zoning district allows for greater building height than permitted in the RMU-45 zoning district. The four properties are approximately 1.28 acres, or 55,750 sq. ft. Future development plans were not submitted with the application. The property is located within Council District 4, represented by Ana Valdemoros.

As part of their study, the City Council is holding an advertised public hearing to receive comments regarding the petitions. During the hearing, anyone desiring to address the City Council concerning this issue will be given an opportunity to speak. The Council may consider adopting the ordinance the same night of the public hearing. The hearing will be held:

DATE:

TIME: 7:00 pm

PLACE: 451 South State Street, Room 326, Salt Lake City, Utah

**** This meeting will be held in-person, to attend or participate in the hearing at the City and County Building, located at 451 South State Street, Room 326, Salt Lake City, Utah. For more information, please visit www.slc.gov/council. Comments may also be provided by calling the 24-Hour comment line at (801) 535-7654 or sending an email to council.comments@slcgov.com. All comments received through any source are shared with the Council and added to the public record.**

If you have any questions relating to this proposal or would like to review the file, please call Sara Javoronok at 801-535-7625 between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, or via e-mail at sara.javoronok@slcgov.com

The application details can be accessed at <https://citizenportal.slcgov.com/>, by selecting the “Planning” tab and entering the petition number PLNPCM2023-00403.

People with disabilities may make requests for reasonable accommodation, which may include alternate formats, interpreters, and other auxiliary aids and services. Please make requests at least two weeks in advance. To make a request, please contact the City Council Office at council.comments@slcgov.com, (801)535-7600, or relay service 711.

Sara here are my additional comments

Please deny any zoning changes I STRONGLY oppose

After reviewing factors and standards I think it is a huge stretch to say these zoning changes comply with proposed standards

For example

A. Lessen congestion in the streets or roads;

The rapid explosion of apartment development is mind boggling and the current road structure will not support this rapid development. This will increase congestion and lower quality of living in downtown SLC

B. Secure safety from fire and other dangers;

I am seeing buildings being built within 10 feet of each other which increases fire danger and decreases Safety in the event of adverse weather or other adverse events

C. Provide adequate light and air;

This will destroy And completely block my homes current view and create a claustrophobic environment of living in between apartment complexes than are visually unappealing and high enough to block open city line and Mountain View's

D. Classify land uses and distribute land development and utilization;

Residential development is not being balanced with other uses such as arts and entertainment, eating establishments and businesses . If we allow this type of development to continue we are going end up with a congested downtown community that is near impossible travel around and have no place to go. It will not be and enjoyable place to live

F. Secure economy in governmental expenditures;

The recent Covid Pandemic has created a false sense of residential demand as many people relocated from larger city regions to smaller cities. Now that pandemic has lessened many small cities are seeing an exodus of people that are now relocating back to the larger city regions creating a real estate crises and other economic problems. Blindly trying to meet a false increased demand will not secure our city economy and will devastate my homes value

G. Foster the city's industrial, business and residential development; and
See comments above for item D

H. Protect the environment.

City developers need to pause and consider climate Issues that will be devastating and must be faced now

Examples include our embarrassing air quality we endure by living here and the diminishing great salt lake which has the potential to become an environmental disaster that will make this area uninhabitable

Please block this zoning change

Sincerely

Heath Harris

Heath,

As we discussed, here's the page to find out more about the Planning Commission meeting: <https://www.slc.gov/planning/public-meetings/planning-commission-agendas-minutes/>. If you go to page 21 of the [staff report](#) there are "factors" on the left and those are the standards that the Planning Commission considers. Comments relating to those are most helpful.

The agenda has the links to the YouTube video and SLCtv. It's live on those two platforms.
